

AMERICA HAS 7.4 MILLION JOB OPENINGS.

BUT THIS IS
NOT AN EASY
JOB MARKET.

7.4 MILLION JOB OPENINGS

US, June 2026.

Opportunity exists.
Competition still matters.

7.1 MILLION UNEMPLOYED

US, June 2026.

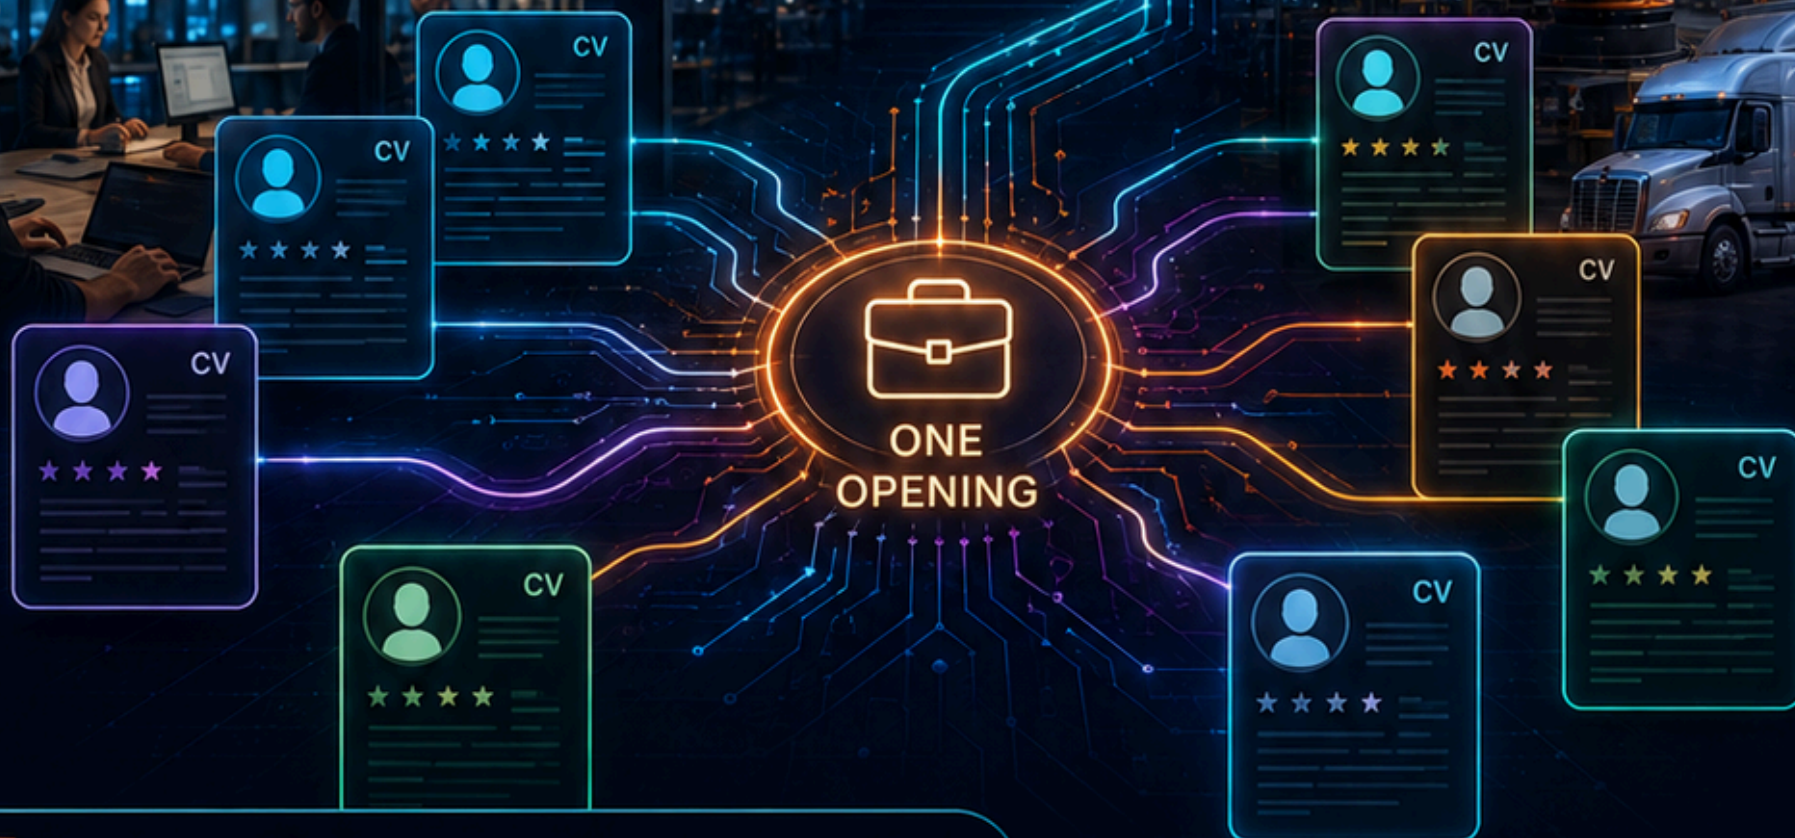

Great people are still
competing for great roles.

1.0 PERSON PER OPENING

US, June 2026.

Sounds balanced.
It **isn't** simple.

Balance on paper. Complexity in reality.

THE MARKET HAS COOLED.

- 4.1% unemployment
- Payrolls -23,000
- July 2026

Hiring is more selective.
